Total: 24 courses, 108 units

How to use your electives

Your electives are extremely valuable—using them wisely can provide you with:

- A minor—a stream of four related courses adding up to 18 units. As a Finance student you will complete courses in your core or major that can contribute to completing a minor. Examples of remaining units to be completed are outlined in the table.
- An overseas study experience
- Practical workplace experience through an industry project or practicum

You are able to select options that add up to 18 units. For example, a minor will use 9-13.5 units or you can consider combinations of courses, placements and overseas study.
