Operations Manager SA - Linehaul, Linfox

"The opportunity to participate in an **industry placement** should be at the top of your 'to do list'. Exposure to relevant industry ideas, systems, pressures and people can provide a great idea of what to expect after graduation.

**Experience** will help you understand the **skills** required, appealing **career paths**, or spark a desire for a new avenue to grow and learn. Study, coupled with time at the coal face, will provide you with the tools to **succeed.**"

## INCREASE YOUR EMPLOYABILITY

## How to use your electives

Your electives are extremely valuable—using them wisely can provide you with:

- A minor—a stream of four related courses adding up to 18 units. You may complete courses in your core or major that can contribute to completing a minor. Examples of remaining units to be completed are outlined in the table.
- An overseas study experience
- Workplace experience through an industry placement

You are able to select options that add up to 18 units. For example, a minor will use 13.5-18 units or you can consider combinations of courses, placements and overseas study.
