### UniSA Leadership Program

Offered across various levels with entry points throughout the year. Participants develop skills in self-awareness, teamwork, communication, conflict resolution, mentoring facilitation, creative thinking, project design, project management and a wide range of other areas.

### UniSA+

A record of your participation in co-curricular activities to help you stand out as an exceptional graduate. Develop skills, experience and knowledge that employers are seeking in graduates. Complete the requirements across the duration of your degree and choose activities relevant to your desired career.

### Volunteering

Strengthen your resume, make a difference, gain valuable experience and meet new people. Take up volunteering opportunities within the university or a not-for-profit organisation that matches your needs and skills. Our Community Connect program allows you to identify issues you are passionate about and turn them into professional, engaging and impactful projects and events.

### Career Services

Effective career planning includes understanding the job market and the state of the economy. Incorporating self-assessment into your plan will help you understand your needs and how they align to your career aspirations. UniSA offers an impressive range of career services to help you prepare for your career, get ready for the workplace and find a job.

### Student clubs and associations

USASA supports a range of student-led groups that you are able to join. Becoming a member will provide opportunities to increase your network and participate in roles to boost your experience.
