enrol, starting with the class number of the enrolment class.

Enrolment Class An Enrolment Class is the first class you enrol in for a particular course. This can be a lecture (LEC), tutorial (TUT), workshop (WSH),

practical (PRA) or external (EXT). There may be multiple enrolment classes to choose between. All other classes will be related to the

enrolment class and will display once you select your enrolment class.

Related Classes Related classes are other components (i.e. a tutorial or practical) that make up the course. In some cases you may be automatically

enrolled into a particular related class that is associated with the enrolment class you selected.

Auto Enrol Class In some courses, once you select the Enrolment Class, you are automatically enrolled (Auto-Enrol) in a second (related) class (e.g. by

choosing a tutorial you are automatically enrolled into the lecture). You may still be required to select another related class to complete

your enrolment.

External Class The external class number will be listed in the Classes column below. This number is the only enrolment class number you need to enter

in 'Manage my Enrolment' when enrolling.

EXTERNAL STUDENTS

Students studying off-campus. Administrative services for external students are located at Campus Central.

External mode includes online, distance education, industry placement or directed research. Virtual classrooms are deemed to be an external mode of delivery. External model does not normally include a face to face component, however some courses offered in external mode may require a small component of oncampus activity.

It is strongly recommended that you visit the External Students webpage to gain valuable information regarding your studies. http://www.newdev.unisa.edu.au/study-skills/externalstudents.html

PART TIME STUDENTS

You can study part-time which means undertaking less than the load specified for full time status.

(**Full-time load** - The standard annual full-time load is 36 units or 1.0 EFTSL (Equivalent Full-Time Student Load). A student undertaking at least 75% of a full-time load, for either the first half or second half of the year, will be full-time for that half year).

If you require further enrolment advice, please refer to the **School contact details** listed on the first page or contact Campus Central.
