### DEFINITIONS:

- **Subject Area and Catalogue Number**: A 4-letter subject area code plus a 4-digit catalogue number make up the course code, e.g. `BIOL 1033`. You can search for courses by using this code.

- **Class Number**: A class number is a unique number used to identify individual classes held during a specified study period. You can use class numbers to enrol, starting with the class number of the enrolment class.

- **Enrolment Class**: An Enrolment Class is the first class you enrol in for a particular course. This can be a lecture (LEC), tutorial (TUT), workshop (WSH), practical (PRA) or external (EXT) to name a few examples. There may be multiple enrolment classes to choose between.

<tr>
<td>Auto Enrol Class</td>
<td>In some courses, once you select the Enrolment Class, you are automatically enrolled (Auto-Enrol) in a second (related) class (e.g. by choosing a tutorial you are automatically enrolled into the lecture). The class number will be listed in the Auto-Enrol column below. You may still be required to select another related class to complete your enrolment.</td>

NOTES:

1. The table above shows the full list of courses to be taken by a student undertaking a full-time load solely in this year of the program.
2. Students enrol in all courses for both study periods (Study Periods 2 & 5) at the beginning of the year.

EXTERNAL STUDENTS

Students studying off-campus. Administrative services for external students are located at Campus Central.

External mode includes online, distance education, industry placement or directed research. Virtual classrooms are deemed to be an external mode of delivery. External model does not normally include a face to face component, however some courses offered in external mode may require a small component of on-campus activity.

It is strongly recommended that you visit the Studying Externally webpage to gain valuable information regarding your studies.

PART TIME STUDENTS

You can study part-time which means undertaking less than the load specified for full time status.

(Full-time load - The standard annual full-time load is 36 units or 1.0 EFTSL (Equivalent Full-Time Student Load). A student undertaking at least 75% of a full-time load for the academic year will be full-time for that year. A student who is undertaking at least 75% of a full-time load, for either the first half or second half of the year, will be full-time for that half year).

If you require further enrolment advice, please refer to the contact details listed on the first page or contact Campus Central.

INTERNATIONAL STUDENTS

Please note: Only International students who have received credit will receive a personalised study plan, please contact the International Office on 8302 0114 or via email international.office@unisa.edu.au regarding your personalised study plan which will assist you with enrolling.

Please ensure you bring your study plan to your enrolment session to assist with enrolment.
