All courses 4.5 units unless otherwise noted

\*\*\*Please note that UniSA has 7 study periods each calendar year with Study Periods 1, 2 and 3 being the first half of the year (commonly known as semester 1) and Study Periods 4, 5, 6 and 7 being the second half of the year (commonly known as semester 2). (Study Period 7 courses can be scheduled anytime from November to February of the following year)\*\*

The study plan above is a **guide** for this year **only** of your study with UniSA. You will be required to select and enrol in your courses each year based on your progress through your program.

Should you have less than 13.5 units to complete in any half year your enrolment will be considered to be part time for that half year, and this will be noted on your record and included on your completion letter.

This Study Plan is based on UniSA's current program structure. UniSA reserves the right to vary the program structure and/or courses. Should this occur, a new Study Plan will be established, and the amount of credit granted may vary.

#### Rules:

1. Students, who have taken, for another award, a course which is substantially equivalent to a course from the program schedule, may be granted up to one third of the program in credit or may substitute a course of equal standing and unit's value, with the approval of the Program Director. Credit will only be granted for courses undertaken at postgraduate level in a qualification that has not been used as the basis for Advanced Standing.
2. The Program Director may approve variations to the program of studies for a student by substituting courses from the program schedule with courses from other graduate level programs in this or another university.
3. Applicants who have completed a bachelor degree in a business discipline or who hold a bachelor degree which includes a major in business, commerce, marketing or management or applicants who have completed a graduate certificate in a business discipline are eligible to enter the program with 0.5 EFTSL (18 units) Advanced Standing in lieu of these courses and complete the program in 1.5 years of full time study or equivalent part time study.
4. BUSS 5034 International Business: Strategy and Ethics is a capstone course and should be completed at the end of the program.
5. Students enrolled in the International Master of Business Administration are eligible to transfer into Master of Management or any of the Master of Management specialisations after a semester of study.
6. The Advanced Elective courses are to be chosen from the Advanced Specialisation Electives list.

#### Notes:

1. Specialisation Electives to be selected from the [specialisation elective list](#) or may be used to complete an international exchange, internship or UniSA Business electives approved by the Program Director.
