

## SSAF Project Funding

*Examples of funded projects (2021-2023)*

Project Title	Applicant/s	Project Description	Amount Funded
Financial Literacy Education Activity Booklet	USASA	Financial literacy and consumer economics awareness booklet developed for students – an empowerment framework providing participants with knowledge and guidance to make better informed decisions.	\$14,250
On-campus yoga classes	UniSA Sport	To subsidise the cost of delivering yoga classes offered on campus for students on City East, Magill and Mawson Lakes campuses.	\$2,400
Magill Sports Centre badminton equipment	UniSA Sport	New badminton nets and floor plates at the Magill Sports Centre on Magill Campus.	\$13,000
UniSport Nationals Student Subsidy	UniSA Sport	A subsidy for students representing UniSA at UniSport Nationals to encourage greater representation and participation.	\$20,000
Academic Integrity Awareness Campaign - AI	SEU	A team of students employed to expand on resources created for the first part of the Academic Integrity Awareness campaign (see below) to incorporate resources explaining about emerging technologies and artificial intelligence and how these apply to AI policy at UniSA. This included delivery of Season 4 of 'The Study Room Podcast' to focus on AI, interviewing students and staff on the topic.	\$30,000
Pedal Prix Club Trike	USASA Club	The purchase of a second Pedal Prix trike to build capacity of club/team and to cater for more students to be involved.	\$15,000
Mental Health First Aid Training	SEU	Delivery of Mental Health First Aid training to 100 students, equipping them with the necessary knowledge and skills to best handle mental health issues that arise when engaging with their peers.	\$37,500
Sharing Knowledge	WSS	Engage students to develop ideas for production of social media videos to create awareness, understand the benefit and importance and to encourage students attendance at Orientation and engagement with Wurringka Student Services (WSS).	\$2,000

Project Title	Applicant/s	Project Description	Amount Funded
WSS Student Sports and Wellbeing Day	SEU	WSS in collaboration with UniSA Sport delivered a wellbeing and multi-sport event specifically for Aboriginal students studying at UniSA. Both regional and metropolitan students were invited to participate in the event which included a fun and inclusive sporting day to meet other Aboriginal students and partake in a variety of different sports and activities in Adelaide.	\$8,350
Academic Integrity Awareness Campaign	SEU	The development of a student-centred campaign to raise awareness of academic integrity policy and practice at UniSA. The collaboration between staff and students resulted in a range of engaging and interactive multi-modal resources for all UniSA and UniSA Online students.	\$19,200
Space Cyber Security	USASA Club	Funding to prepare a team from UniSA Space Club to participate in a Student Hackathon in 2023, enabling club members to develop their skills beyond those of the program curricula (in the area of cyber security) and penetration testing of a simulated satellite system.	\$2,210
"From student to founder"	UniSA Business/Innovation and Collaboration Centre	Building on the previously funded "student to start-up" series of events, funding for a hackathon that promoted awareness of support for entrepreneurial students, engaged them in activities that broaden their experience at UniSA and encouraged them to expand their networks, and provided them with access to potential employment opportunities with startups. Events included a 'fireside chat', SCOUT, and a 'startup weekend'.	\$11,250
Financial Counselling Podcast	USASA	Funding to develop a podcast as a syllabus for financial literacy education by helping students understand financial affairs and improve welfare through compelling storytelling and student collaboration.	\$13,730
'How to Adult' Pilot	USASA	A program designed to help students balance their work, life and studies and adopt strategies to succeed at university and in life. Delivered as a combination of events, workshops, and online content, the 'How to Adult' program is designed to provide life skills that are needed to enter the workforce, live, and learn independently.	\$10,455

Project Title	Applicant/s	Project Description	Amount Funded
Transition to University Briefing for VEEP Students	SEU	As part of the Veterans' Engagement and Education Program (VEEP), funding provided to co-develop a uni-prep / transition briefing workshop co-facilitated by VEEP students and offered on an ongoing basis to commencing students, to help foster a VEEP community on campus.	\$20,942
From student to start-up	Innovation and Collaboration Centre (BIS)	Funding to run a series of three 'fireside chat' events featuring 2-3 existing or alumni startup founders facilitated by the Director of the ICC / Expert in Residence of the ICC. The sessions explored the experiences of a founder and to enable students to understand firsthand the challenges faced.	\$4,050
Re-vamp of the Occupational Therapy (OT) resource room (City East campus)	OT Student Society Committee	Funding for minor refurbishment of the OT resource room to turn it into a space where students feel welcome and can relax.	\$2,000
Outside Broadcast Capability Development and Pilot Delivery: Unicast Radio	UniSA Creative	Funding for equipment to enable delivery of live broadcasts across all university campuses including regional and offsite locations, capturing events for a wide audience of university stakeholders while simultaneously adding value to campus culture at the live broadcast location.	\$34,500
Enhance Student Clubs	USASA Clubs	Funding to support USASA's strategic plan to facilitate student engagement through club activity. This included supporting clubs with storage space issues (in collaboration with the SEU and FMU) and enhancing resources and supports available to student clubs.	\$40,000
Expanded Brekky Bar	SEU/USASA	Expanded Brekky Bar offered to promote healthy food options, good nutrition, and positivity for students (especially those facing financial hardship).	\$22,000
Students: from strength to StrengthsFinder	SEU	Additional funds provided to support Student Leadership programs professional development offerings – specifically the opportunity for 150 UniSA students to undertake the Gallup StrengthsFinder workshop that helps them with self-awareness and clarifying their career pathway.	\$16,000
Online Student Engagement	USASA	The appointment of an Online Engagement Officer on a fixed term basis to enable the development and delivery of online resources for this growing cohort of students.	\$43,783

Project Title	Applicant/s	Project Description	Amount Funded
Expanded Intervarsity Sport Program 2021	SEU	Due to travel restrictions in 2021 Team UniSA were unable to participate in the UniSport Nationals being held in Queensland. In lieu of this, UniSA Sport funding was provided to augment what could be done in South Australia with other universities.	\$3,000
Study Room Podcast Season 3	SEU	Funding to supplement the Learning Advising Team's successful podcast with a third season focussing on global connection.	\$8,200
