ACADEMIC PLAN	N/A-DDHE	CAMPUS	City West
CAMPUS CENTRAL (Please contact Campus Central if you need help with enrolling or have any queries about the information on this form)	Campus Central City West Level 2, Jeffrey Smart Building ask@campuscentral.unisa.edu.au 1300 301 703	ACADEMIC UNIT (Please contact the Academic Unit if you have any other queries)	UniSA College (Education Futures) college@unisa.edu.au 8302 7407

DEFINITIONS:

Subject Area and
Catalogue Number

A 4-letter subject area code plus a 4-digit catalogue number make up the course code, e.g. **BIOL 1033**. You can search for courses by using this code.

Class Number

A class number is a unique number used to identify individual classes held during a specified study period. You can use class numbers to enrol, starting with the class number of the enrolment class.

Enrolment Class

An Enrolment Class is the first class you enrol in for a particular course. This can be a lecture (LEC), tutorial (TUT), workshop (WSH), practical (PRA) or external (EXT). There may be multiple enrolment classes to choose between. All other classes will be related to the enrolment class and will display once you select your enrolment class.

Related Classes

Related classes are other components (i.e. a tutorial or practical) that make up the course. In some cases, you may be automatically enrolled into a particular related class that is associated with the enrolment class you selected.

- Auto Enrol Class** In some courses, once you select the Enrolment Class, you are automatically enrolled (Auto-Enrol) in a second (related) class (e.g. by choosing a tutorial you are automatically enrolled into the lecture). You may still be required to select another related class to complete your enrolment.
- External Class** There is only one enrolment class number you need to enter in 'Manage my Enrolment' when enrolling.

First Semester (Study Period 5)				
Subject Area	Catalogue Number	Course Name	Classes	Notes
SOCU	1010	Introduction to Academic Life	<p>Enrol into 1 Tutorial</p> <p>Please refer to class timetable for all class numbers</p> <p>OR</p> <p>External</p>	This course will not be offered after SP2, 2026. If you are enrolling into your program as a part time student, please prioritise your enrolment in this course now. If you have questions about your study plan, please contact your Program Director
NASC	1013	Introduction to Biosciences	<p>Enrol into 1 Tutorial</p> <p>and</p> <p>1 Practical</p> <p>Please refer to class timetable for all class numbers</p> <p>OR</p> <p>External</p>	

COMP	1050	Applied Computer Practices	<p>Enrol into Lecture (Week 1 only)</p> <p>and</p> <p>1 Computer Practical</p> <p>Please refer to class timetable for all class numbers</p> <p>OR</p> <p>External</p>	
		Elective		<p>Note: Electives are to be selected from the list below, aligning with the discipline area students wish to pursue in their bachelor degree. It is important to note that some electives may have prerequisite requirements, and elective selection should be discussed with College staff.</p>

ELECTIVE OPTIONS

Nursing discipline: To meet entry requirements, students planning to articulate into the Bachelor of Nursing or Bachelor of Midwifery upon successful completion (subject to competitive entry) must consider the professional registration requirements, including the English Language Skills standard, and complete a declaration stating how they will demonstrate their English language competency, as determined by the Nursing and Midwifery Board of Australia (NMBA). Further details can be accessed via the undergraduate program pages.

HLTH	1070	Introduction to Human Physiology	<p>Enrol into 1 Tutorial</p> <p>Please refer to class timetable for all class numbers</p> <p>OR</p> <p>External</p>	<p>Note: due to pre-requisite requirements, students starting mid-year and studying full time complete Introduction to Human Physiology in SP5, 2025 and complete their two electives in their 2026 enrolments</p>
------	------	--	--	--

Midwifery discipline: To meet entry requirements, students planning to articulate into the Bachelor of Nursing or Bachelor of Midwifery upon successful completion (subject to competitive entry) must consider the professional registration requirements, including the English Language Skills standard, and complete a declaration stating how they will demonstrate their English language competency, as determined by the Nursing and Midwifery Board of Australia (NMBA).

Further details can be accessed via the undergraduate program pages.

HLTH	1047	First Peoples' Health	<p>Enrol into 1 Tutorial</p> <p>Please refer to class timetable for all class numbers</p> <p>OR</p> <p>External</p>	<p>Note: Please enrol into the classes allocated to midwifery students. To do this you will need to submit an override (and include in the override request that you are studying the midwifery study plan in the Diploma). This will ensure you take the midwifery specific classes of First People's Health.</p> <p>Instructions for submitting an override available here: https://my.unisa.edu.au/Student/myEnrolment/EnrolmentHelp/How_to_lodge_an_Override_Request.pdf</p>
------	------	---------------------------------------	--	---

Public Health discipline (students must choose between on-campus and UO courses):

HLTH	1069	Introduction to Anatomy	<p>Enrol into 1 Tutorial</p> <p>Please refer to class timetable for all class numbers</p> <p>OR</p> <p>External</p>	<p>Due to timing of electives, students starting the Diploma mid-year, looking to study Public Health will complete two electives in SP2, 2026. Please enrol into Introduction to Anatomy for SP5 if intending to study full time</p>
------	------	---	--	---

PROGRAM & COURSE NOTES:

Please refer to the Program page [Diploma in Health](#) for Program and Course notes.

Enrolment Advice Notes:

1. The table above shows the full list of courses to be taken by a student undertaking a full-time load solely in in Study Period 5 of 2025.
2. Please ensure you check the course timetable to confirm the location and possible external mode offering for each course.
3. Students will receive a new Study Plan for enrolment at Adelaide University in the second half of 2025.
4. Please use your study plan to enrol in your ongoing courses.

This Study Plan has been designed to align with current UniSA program requirements until the end of 2025 and is subject to change. Due to the transition to Adelaide University in 2026, a transition Study Plan will be provided replacing any previously issued plans and will ensure that the expected remaining duration of your program is maintained (subject to successful completion of courses studied). Support for students during this transition will be provided, with details to be shared when the transition Study Plan is issued.

EXTERNAL STUDENTS

Students studying off-campus. Administrative services for external students are located at [Campus Central](#).

External mode includes online, distance education, industry placement or directed research. Virtual classrooms are an external mode of delivery. External mode does not normally include a face-to-face component, however some courses offered in external mode may require a small component of on-campus activity.

It is strongly recommended that you visit the Academic Learning Support webpage to gain valuable information regarding your studies.
<https://i.unisa.edu.au/students/student-support-services/study-support/>

PART TIME STUDENTS

You can study part-time which means undertaking less than the load specified for full time status.

(Full-time load - The standard annual full-time load is 36 units or 1.0 EFTSL (Equivalent Full-Time Student Load). A student undertaking at least 75% of a full-time load for the academic year will be full-time for that year. A student who is undertaking at least 75% of a full-time load, for either the first half or second half of the year, will be full-time for that half year).

If you require further enrolment advice, please refer to the **Academic Unit contact details** listed on the first page or contact [Campus Central](#).
