### DEFINITIONS:

Subject Area and Catalogue Number	A 4-letter subject area code plus a 4-digit catalogue number make up the course code, e.g. <b>BIOL 1033</b> . You can search for courses by using this code.
Class Number	A class number is a unique number used to identify individual classes held during a specified study period. You can use class numbers to enrol, starting with the class number of the enrolment class.
Enrolment Class	An Enrolment Class is the first class you enrol in for a particular course. This can be a lecture (LEC), tutorial (TUT), workshop (WSH), practical (PRA) or external (EXT). There may be multiple enrolment classes to choose between. All other classes will be related to the enrolment class and will display once you select your enrolment class.
Related Classes	Related classes are other components (i.e. a tutorial or practical) that make up the course. In some cases, you may be automatically enrolled into a particular related class that is associated with the enrolment class you selected.

Auto Enrol Class                      In some courses, once you select the Enrolment Class, you are automatically enrolled (Auto-Enrol) in a second (related) class (e.g. by choosing a tutorial you are automatically enrolled into the lecture). You may still be required to select another related class to complete your enrolment.

External Class                          There is only one enrolment class number you need to enter in 'Manage my Enrolment' when enrolling.

## Enrolment Advice Notes:

1. The table above shows the full list of courses to be taken by a student undertaking a full-time load solely in Study Period 5 of 2025.
2. Students will receive a new Study Plan for enrolment at Adelaide University in the second half of 2025.
3. Please ensure you check the course timetable to confirm the location and possible external mode offering for each course.
4. Please use your Study Plan to enrol in your ongoing courses.

**This Study Plan has been designed to align with current UniSA program requirements until the end of 2025 and is subject to change. Due to the transition to Adelaide University in 2026, a transition Study Plan will be provided replacing any previously issued plans and will ensure that the expected remaining duration of your program is maintained (subject to successful completion of courses studied). Support for students during this transition will be provided, with details to be shared when the transition Study Plan is issued.**

## EXTERNAL STUDENTS

Students studying off-campus. Administrative services for external students are located at [Campus Central](#).

**External mode** includes online, distance education, industry placement or directed research. Virtual classrooms are an external mode of delivery. External mode does not normally include a face-to-face component, however some courses offered in external mode may require a small component of on-campus activity.

It is strongly recommended that you visit the Academic Learning Support webpage to gain valuable information regarding your studies.
