

# YOUR ACADEMIC PROGRESS RESULTS

## Dear <Students First Name>

To ensure you are adequately supported to be able to successfully complete your program, we regularly monitor your academic progress. This communication is to commend you on your overall progress in your studies, whilst also acknowledging there may be areas of concern as we noticed that you failed or withdrew from at least one course recently.

Failure or withdrawal from a course may affect your ability to successfully complete your studies on time and potentially affect your student visa. Whilst failing or withdrawing from a course can be discouraging, we hope that you take this as an opportunity to reflect on why you were not successful and take positive action to learn, improve and ultimately succeed in your studies.
