# Business Career Mentor Program

*Strengthen your employability and build your industry network while you study.*

## What Is The BCMP?

The Business Career Mentor Program (BCMP) connects you with an experienced industry professional to enhance your employability and broaden your network. Access exclusive networking opportunities while developing your career management skills and industry knowledge with a mentor.

### UniSA+

Claim up to 10 hours towards UniSA+ Self Development.

## What Are The Benefits?

- Network with industry professionals
- Career planning
- Employability skill development
- Learn about business etiquette and workplace culture
- Tailor your cover letter, resume and interview
- Prepare for graduate opportunities
