### About Ottawa

A city that enjoys the finer things in life, Ottawa is the capital city of Canada located on the south bank of the Ontario River. It has at its centre Parliament Hill, with grand Victorian architecture and renowned museums such as the glass-and-granite National Gallery, with noted collections from Canadian and Indigenous artists.

Originally constructed as a preventive military measure, the park lined Rideau Canal, registered as a UNESCO World Heritage Site in 2007, is 202 kilometres in length and is filled with boats in the summer and ice skaters during winter.

Ottawa is a 1.5 hour flight to New York, however, if you fancy a road trip, driving from Ottawa to New York only takes about 7 hours.
