Travel and living expenses are at your own cost. The table below gives an indication of costs you will incur:

ITEM	COST
Return flights - Adelaide to Bangkok	\$820
Accommodation - single furnished room in an on-campus residence	\$220 to \$900 per month
Health insurance	\$120 per semester
Meals	\$260 per month
Entertainment and incidentals including phone, laundry etc.	\$400 - \$600 per month

“ I chose to study at Thammasat for a few different reasons but I think the main reason for me was where it was located. Another factor was that Thailand was one of our closest and largest trading partners in the Asian Pacific. It was a great way of getting out of my comfort zone and for taking opportunities that would have otherwise passed me by. I also see adapting to another culture as an exciting experience. ”
