

2025 Enrolment Advice

Program Enrolment Advice: For students who are having trouble with their enrolments please contact – [Campus Central](#)

PROGRAM CODE	IMSO
PROGRAM NAME	<u>Master of Medical Sonography (General)</u> (Click on the above to access the Program Home Page)
ACADEMIC PLAN	2nd – 3rd Year
CAMPUS CENTRAL (Please contact Campus Central if you need help with enrolling or have any queries about the information on this form)	Campus Central City East Level 3, Playford Building <u>ask@campuscentral.unisa.edu.au</u> 1300 301 703

DEFINITIONS:

Subject Area and Catalogue Number

A 4-letter subject area code plus a 4-digit catalogue number make up the course code, e.g. **BIOL 1033**. You can search for courses by using this code.

Class Number

A class number is a unique number used to identify individual classes held during a specified study period. You can use class numbers to enrol, starting with the class number of the enrolment class.

Enrolment Class

An Enrolment Class is the first class you enrol into for a course. This can be a lecture (LEC), tutorial (TUT), workshop (WSH), practical (PRA) or external (EXT). There may be multiple enrolment classes to choose between. All other classes will be related to the enrolment class and will display once you select your enrolment class.

Related Classes

Related classes are other components (i.e. a tutorial or practical) that make up the course. In some cases, you may be automatically enrolled into a related class that is associated with the enrolment class you selected.

Auto Enrol Class

In some courses, once you select the Enrolment Class, you are automatically enrolled (Auto-Enrol) in a second (related) class (e.g. by choosing a tutorial you are automatically enrolled into the lecture). You may still be required to select another related class to complete your enrolment.

Suggested enrolment order for Master of Medical Sonography (General) – level one courses

Students must successfully complete the four level 1 courses prior to enrolling in the level two courses of the program.

Course name	Course code & Catalogue No.	Prerequisites / Corequisites	Notes
Professional Issues for Sonographers	RADY 5024	Nil	<p align="center">Available SP2 & SP5</p> <p align="center">Choose class number: 24123 (SP2) or 54301 (SP5)</p>
Abdominal Sonography	RADY 5013	Prerequisites: RADY5024 and RADY5030	<p align="center">Available SP2 & SP5</p> <p align="center">Choose class number: 24114 (SP2) or 54300 (SP5)</p>
Ultrasound Physics and Instrumentation	RADY 5030	Nil	<p align="center">Available SP2 & SP5</p> <p align="center">Choose class number: 24128 (SP2) or 54303 (SP5)</p>
Superficial Parts Sonography	RADY 5015	Prerequisites: RADY5024 and RADY5030	<p align="center">Available SP5</p> <p align="center">Choose class number: 53864 (SP5)</p>

Suggested enrolment order for Master of Medical Sonography (General) – level two courses

Students must successfully complete the four level 1 courses prior to enrolling in the level two courses of the program.

Course name	Course code & Catalogue No.	Prerequisites / Corequisites	Notes
Vascular Sonography	RADY 5016	Prerequisites: RADY 5024 + RADY 5030 + General Sonography training position Corequisite: RADY 5013	<p align="center">Available SP2</p> Choose class number 24120 (SP2)
Obstetric and Gynaecologic Sonography	RADY 5014	Prerequisites: RADY 5013 + RADY 5015 + General Sonography training position	<p align="center">Available SP2</p> Choose class number 24116 (SP2)
Musculoskeletal Sonography	RADY 5029	Prerequisites: RADY 5013 + General Sonography training position Corequisites: RADY 5015	<p align="center">Available SP5</p> Choose class number: 53868 (SP5)
Cardiovascular Sonography Portfolio	RADY 5035	Prerequisites: See prerequisites on course page .	<p align="center">Available SP2 & SP5</p> Choose class number: 24130 (SP2) or 54304 (SP5)

Suggested enrolment order for Master of Medical Sonography (General) – level three courses

Some courses are offered only once per year.

Students must successfully complete the eight level 1 + 2 courses prior to enrolling in the level three courses of the program

Course name	Course code & Catalogue No.	Prerequisites	Notes
Research Design and Development	HLTH 6014	Nil	Available SP2 Choose class number: 24590
OR			
Allied Health Research Evidence Translation	REHB 5118	Nil	Available SP2 & SP5 24248 (SP2) or 53994 (SP5)
Plus 13.5 Units of electives chosen from the following:			
Fetal Echocardiography	RADY 5027	Nil	Available SP2 Choose class number: 24127
Advanced Musculoskeletal Sonography	RADY 5025	Nil	Available SP2 Choose class number: 24124
Advanced Vascular Sonography	RADY 5034	Nil	Available SP5 Choose class number: 53871
Health Ethics	HLTH 5002	Nil	Available SP2 Choose class number: 23916

Breast Sonography	RADY 5002	Prerequisite: RADY5030 Corequisite: Performing diagnostic breast ultrasound examinations, including interventional procedures	Available SP2 Choose class number: 24108
Managing Employee Performance and Rewards	BUSS 5398	Nil	Available SP5 Choose class number: 54169
Quantitative Design for Nursing, Midwifery and Health Research	NURS 5152	Nil	Available SP2 Choose class number: 22860

NOTES:

1. The table above shows the full list of courses to be taken by a student undertaking a full-time load solely in this year of the program.
2. Students enrol in all courses for both study periods (Study Periods 2 & 5) at the beginning of the year.
3. Students in this program are required to secure their own supervised training position for the duration of their study. Students that have not secured a placement are unable to progress in the program after the first four courses.
4. Students must maintain a clinical experience logbook which documents supervised ultrasound experience (verified by an ASAR accredited sonographer) over the duration of the program.
5. For the final/eighth/capstone course all students must attend a compulsory OSCE examination on campus in Adelaide.
6. The program is offered on a part-time basis over a minimum of 2 years, and only by external delivery.
7. Students who are unable to secure a training position after completing level 1 courses in the program will be offered exit with a Graduate Certificate in Medical Sonography Principles and Theory. The Graduate Certificate exit award will NOT provide the student with ASAR accreditation.

If you require further enrolment advice, please contact [Campus Central](#).
