**DEFINITIONS:**

**Subject Area + Catalogue Number**

A 4-letter subject area code plus a 4-digit catalogue number make up the course code, e.g. **BIOL 1033**. You can search for courses by using this code.

**Class Number**

Every class at UniSA has a unique number (e.g. **24813**). You use this number to enrol. Both the enrolment class and related classes have class numbers.

**Enrolment Class**

This can be a lecture (LEC), tutorial (TUT), workshop (WSH) or practical (PRA), to name a few examples. It is the first class you must enter when you are enrolling.
Related Classes

These are other required components of the course, and are in addition to the Enrolment Class. They can be one of the following class types - lecture, tutorial, workshop or practical, to name a few. In most cases you will have a choice (e.g. 1 tutorial to be chosen from 7).

Auto Enrol Classes

In some courses, once you select the Enrolment Class you are automatically enrolled (Auto-Enrol) in a related class (e.g. a particular tutorial or practical at a particular time). The class number will be listed in the Auto-Enrol column below.

ALL STUDENTS PLEASE NOTE:

If you require assistance with your enrolments, then please contact Campus Central or the School of Nursing and Midwifery on (08) 8302 1337 or email Nursingstage2.enquiries@unisa.edu.au for Stage 2 courses or Nursingstage3.enquiries@unisa.edu.au for Stage 3 courses.

### CLINICAL PLACEMENT

#### BLOCK 1

**Pre-clinical workshop:** all students will need to attend a 4-hour pre-clinical workshop in September or October 2019.

**Placement Dates:** 18 November – 15 December 2019

**All Experiential Learning Activity (ELA) courses are timetabled as ‘intensives’ and may have course specific census dates applied which you will be advised about well prior to the commencement of the relevant study period the ELA course is scheduled in.**

### Pre-requisites:

- Students must have passed Experiential Learning Activity: Older Adults Practicum 2 NURS 2034
- Health of Adults (NURS 2023), Health of Infants, Children and Young People (NURS 2022)

**It is compulsory for students to submit:**

- Senior First Aid certificate
- CPR Update (if Senior First Aid older than 12 months)
- National Police Certificate for ALL students
- DCSI for ALL students
- Immunisation records
- ELA 3 medical calculation score card (students must obtain 100%)

To the Clinical Placement Unit before commencement of this course. These documents must be current for the duration of your placement.

For more information please see: [http://i.unisa.edu.au/students/health/cpu/](http://i.unisa.edu.au/students/health/cpu/)

**Internal students** are to enrol into a Workshop which will automatically enrol them into the Clinical class. **Please ensure you enrol into a workshop held after your Health of Adults 3 days workshop.**

**External students** are to enrol in one of the available external class numbers as per the class timetable. Please refer to the notes section on the class timetable for pre-clinical/post-clinical workshop details. **Please ensure you enrol into a workshop held after your Health of Adults 3 days workshop.**
**EXTERNAL STUDENTS ONLY**

or students who have been advised otherwise.

**CLINICAL PLACEMENT**

**BLOCK 2**

Pre-clinical workshop: all students will need to attend a 4-hour pre-clinical workshop in September or October 2019.

Placement Dates: 7 January – 2 February 2020

**All Experiential Learning Activity (ELA) courses are timetabled as ‘intensives’ and may have course specific census dates applied which you will be advised about well prior to the commencement of the relevant study period the ELA course is scheduled in.**

Pre-requisites: Students must have passed Experiential Learning Activity: Older Adults Practicum 2 NURS 2034

Co-requisites: Health of Adults (NURS 2023), Health of Infants, Children and Young People (NURS 2022)

**It is compulsory for students to submit:**

- Senior First Aid certificate
- CPR Update (if Senior First Aid older than 12 months)
- National Police Certificate for ALL students
- DCSI for ALL students
- Immunisation records
- ELA 3 medical calculation score card (students must obtain 100%)

to the **Clinical Placement Unit** before commencement of this course. These documents must be current for the duration of your placement.

For more information please see: [http://i.unisa.edu.au/students/health/cpu/](http://i.unisa.edu.au/students/health/cpu/)

**Internal students** are to enrol into a Workshop which will automatically enrol them into the Clinical class. The Workshop you enrol into will automatically enrol students into both your pre-clinical and post-clinical workshop.

**External students** are to enrol in one of the available external class numbers as per the **class timetable**. Please refer to the notes section on the class timetable for pre-clinical/post-clinical workshop details. **Please ensure you enrol into a workshop held after your Health of Adults 3 days workshop.**
