

① This form is to be used by the Chair of the Confirmation of Candidature Review Panel to document the outcome of the panel review of the research proposal, statement of agreement and induction plan. The form must be signed by the Dean of Research to determine if enrolment for the student is confirmed or if another course of action is required. The form is to be lodged no later than 7 days after the panel deliberations and must be accompanied by the research proposal, statement of agreement and induction plan

PART 1: STUDENT DETAILS

Student ID	
First Name	
Family Name	

PART 2: STUDY DETAILS

Research Program	
Thesis Title	

PART 3: CONFIRMATION OF CANDIDATURE PANEL

The Confirmation of Candidature panel met via	<input type="checkbox"/> Email	<input type="checkbox"/> Teleconference	<input type="checkbox"/> Face to Face
The panel met on:			
The panel consisted of the following academic staff:			
Chair:		Position:	
Panel member:		Position:	
Panel member:		Position:	
Panel member:		Position:	

PART 4: PANEL RECOMMENDATION

Induction Plan has been reviewed and milestones and requirements identified have been successfully completed

Yes No

Statement of Agreement has been reviewed and supports the research proposal and any outstanding actions from the Induction Plan

Yes No

The recommendation of the Confirmation of Candidature panel is that:

Enrolment is confirmed – Research proposal is approved and supported by the statement of agreement

Enrolment is confirmed (Prof Doc) – 18 units of coursework successfully completed (Professional Doctorate)

Enrolment is confirmed (Previous Institution) – Research proposal has been completed at a previous institution.

Institution name:

Date completed:

Provisional enrolment is to continue (re-present to panel) – The panel members agreed that the research proposal is required to be re-presented to the Panel. The research degree student is to re-present to the panel by _____. The panel will review the changes by _____ and submit written feedback on the proposal and the actions required.

Provisional enrolment is to continue (amendments required) – The panel members agreed that the research proposal requires amendments. The research degree student is to submit the amendments by _____. The panel will review the changes by _____ and submit written feedback on the proposal and the actions required.

Research Proposal should not be approved and student should be suspended (*where the student has had a reasonable opportunity to improve the proposal and still does not meet requirements*) (refer [Procedure AB-58 P3 Research Degrees Student Progression](#) section C Unsatisfactory Progress and section F Formal Review of Academic Progress)

The panel has reviewed the research proposal and relevant supporting documentation and agrees on the recommendation as described above

Name (Chair):

Signature (Chair):

Date:

PART 5: DEAN OF RESEARCH APPROVAL

I acknowledge and endorse the recommendation of the panel:

 Yes No

If 'No' is indicated above, the rationale must be outlined below:

Dean of Research Name:

Dean of Research Signature:

Date:
